

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
SHERMAN DIVISION**

INNOVATION SCIENCES, LLC,

Plaintiff,

v.

AMAZON.COM, INC., ET AL.,

Defendants.

Civil Action No.4:18-cv-00474-ALM

OPPOSED IN PART MOTION TO ENLARGE PAGE LIMITS

Plaintiff Innovation Sciences, LLC (“Innovation”) files this partially opposed motion to enlarge the page limits of Innovation’s Reply In Support of Its Rule 50(b) Motion for Judgment as a Matter of Law, or Alternatively, Rule 59(a) Motion for a New Trial. Innovation asks the Court to enlarge the page limit to twenty pages, exclusive of attachments and exhibits.

Good cause exists for the enlargement of the page limits. Innovation’s Rule 50(b)/59(a) Motion focused heavily on the detailed evidence admitted at trial and covered all invalidity, non-infringement and patent eligibility issues. As a result, Amazon’s opposition also focused heavily on the detailed evidence admitted at trial. Innovation needs the additional pages to respond to the issues raised and arguments made in Amazon’s opposition brief. Moreover, if Innovation had filed its Rule 50(b) motion as multiple motions, Local Rule CV-50 in combination with Local Rule CV-7(a)(3) would set the page limit for the reply brief at the twenty pages Innovation seeks by this motion. Amazon has indicated that it does not oppose an enlargement to fifteen pages. For the reasons provided, Innovation respectfully requests permission to enlarge the page limits of its reply to twenty pages.

Dated: May 14, 2021

Respectfully submitted,

/s/ Donald L. Jackson
